Indebtedness over assets Feb15, 1906,	932 79
	<hr/>
	\$4457 67

Amount due from Collectors is given as they have it on their books.

The town has paid \$500. 00 on notes the past year.

Of the cash on hand, there is \$580.20, which is a permanent road fund, which has not yet been used; deducting this amount from the cash on hand the indebtedness over assets would be \$1512.99. There is also a permanent road fund of \$354.61 in the State Treasury.

TRUST FUNDS

The town has in its possession three legacies which it holds in trust. The Hutchins of \$1500.00. The Hibbard of \$1000.00. and the Simonds of \$500.00. The income from these is used to care for the Village and West Bath cemeteries. The balance if any, is used for town and school purposes as stated in the terms of the wills.

Most respectfully submitted,

HARRY H HALL, Treasurer.

I have examined the above accounts and find it correctly cast and properly receipted.

C. C. FOSTER, Town Auditor.

Bath, N. H., Feb 15, 1906.

NOTE— Many of the taxes on J M Nutter, Collector's book have been paid since Feb 15, 1906, and there are now between \$400.00 and 500.00, to be collected at this date (Feb 26.) This will appear in next year's report.

There are two notes in Newbury Bank which amount to \$2500.00 standing against the town.

There is an outstanding of \$400.00 on which the town is paying interest.

The International Paper Co. should pay one half of the cost of the abutment under the Wilson Bridge. The cost of the abutment is about \$200.00.

They should also pay for the damage done at the Creek near S. J. Burton's caused by the logs at the time of the drives.

Bath Bridge will have to be repaired at a probable cost of \$500.00 to \$800.00. We would recommend that the town raise \$2500 for roads and bridges, outside of the repairs on Bath Bridge. For Town Officers bills, \$600. For Memorial Day \$25. For the Public Library \$100. For school supplies \$150. For the debts of the town \$500.

All of which is respectfully submitted.

LIBRARY REPORT

To the people of the town of Bath, N. H., the following report of the Public Library is most respectfully submitted—
Number of books added this year, 108, 18 of which were bought from money taken from the Ladies Reform Club which was given June 9th, 1905. The number of volumes at the present time is 1943.

Last year's appropriation after paying all outstanding bills has not been invested in books yet. A list has been sent to DeWolf & Co, for quotations. We ask the town for a liberal appropriation this year.

Our schools, the past year, upon the whole, have been very satisfactory. We feel that excellent work has been done during the year. Our teachers are the best we can obtain

for the money we have to work with. There have been some disadvantages, but notwithstanding this, the school work has been very successful. We feel that the pupils have made good progress. We would urge the parents to visit the schools more, that they may know what is being done and how it is done, for their children.

There are some very much needed repairs. Several of the school houses ought to be painted, some of them need to be badly.

Respectfully submitted,

C M HIBBARD, } School Board
J D CHILD, } of Bath.

UNION SCHOOL DISTRICT REPORT

To the people of the town of Bath, the following report is respectfully submitted :

During the past year 34 weeks of school have been maintained.

Last June, Mr. Leonard, Mrs. Johnson and Miss Sutton resigned, and we secured a new force for 1905.

Mr. H. Warren Dow, of Mapleton, Me., a graduate of Boston University, was chosen Principal, and has proved a broad minded and excellent teacher.

Miss Burbeck, of Haverhill, N. H., a teacher of several terms' experience, was elected to teach the primary department. Owing to sickness, she could teach only six days.

Miss Marion Minot was secured as a substitute and taught 7 2-5 weeks, and met with the success that experienced

teachers are expected to meet. Your Committee endeavored to engage her for the year, but could not.

Miss Sadie Titus, of Newton, Mass., was secured, and began to teach the primary school, Nov. 13, and has given entire satisfaction, as the progress of her pupils and school work show.

As all of last year's High pupils were to attend schools in other towns, we began the fall term with two teachers. This gives four grades to each room and makes an increased amount of work for the teachers.

The winter term will not show the actual work that has been done. The closing of the school for two weeks, on account of sickness, caused by the measles, has disturbed the working of the school for the first half of the term, and will be felt through the entire term. The school is making good progress, and every parent and friend of the scholars, should visit the school occasionally and help both scholars and teachers. You could then see how much is being done, and what progress your scholars are making. The teachers would see that you were interested in their work and be encouraged to do their best. Let each one visit the school at least once during a term.

We would urge that the scholars attend school regularly. Why not have them reap the full benefit of the school? The loss to them can not be replaced, and the habit of steady application, is of untold value to a pupil and will help them all through their after life.

The soiled and smoky condition of all the rooms on the ground floor has been changed by kalsomining the walls and ceilings. This gives a better light and the rooms are certainly in a far more healthful condition.

The desks and wood work, in these rooms, need re-varnishing. Also, the outside of the buildings should be painted. The cost increases with each year of neglect, and both of these repairs should be done this year.
